CABLENET

COPPER NETWORKING
# Blanking Panels

FEATURES

- **19inch Blanking Panels**
- **Black**
- **1.5mm Thickness**
- **Available in 1u, 2u, 3u and 4u**

DESCRIPTION

Cablenets 19inch Blanking Panels are secured in place by the use of standard cage nuts and screws. They are key to maintaining airflow in a cabinet/enclosure, thus helping to reduce any hotspots in this space.
Available in 1u, 2u, 3u and 4u variants.
