

FEATURES:

- HDMI 1.4b Female Lead – HDMI 1.4b Female Module
- 20cm Lead
- Black PVC Cable
- Fully Moulded

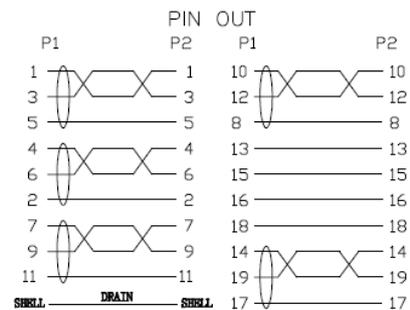

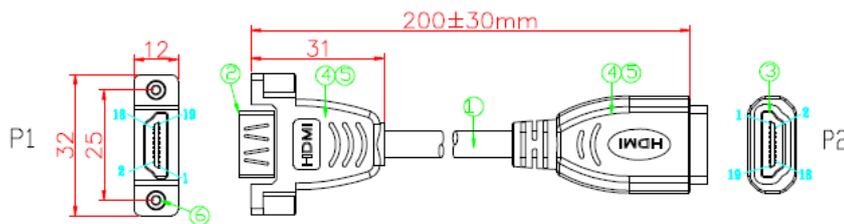

DESCRIPTION:

Connect your HDMI equipment into our 25x50mm Euromod Style Female to Female Flying Lead module. Quick and easy to plug and play install, with the through coupler. This tailed HDMI coupler helps with space restrictions behind the module. Fits standard UK frames 50x50 and 100x50 modular faceplates. HCIFP-80 modules are compatible with Sky Q, Sky, Virgin Media, BT, Xbox One, Playstation, 4K TV's and Displays. They are backward compatible with technologies that require HDMI 2.0 standards or lower.

SPECIFICATIONS:

Connector – HDMI Female – Gold Plated Shell and Pin
OD: 7.3±0.2mm
